Russia's pov
It was almost the end of class then the bell rang so I ran out to my locker getting my books for my next class then
America: hay Russia! *he said in a happy tone*
Russia: what do u want ame!?
America: I was wondering if- America was cut of
Russia: NO I don't wanna go anywhere with you ame can't you just take the hint!
America: t-that wasn't what I was gonna ask... *he said with fear in his voice*
Russia: huh what do you-
America then walked off before russia could Finnish filling sad that his "friend" would snap at him for something he wasn't even gonna ask! Russia was left filling guilty that he made poor ame sad
Later that day at lunch Russia expected ame to sit with him as normal but ame never came then he looked over at another table and saw ame sitting with mexico this angered him he didn't know why its not like he liked ame at all
Russia finally got a chance with ame alone he saw him in the bathroom starting to walk out
Russia: America! *he shouted scaring ame*
America: uhh yes??
Russia: what was it you wanted earlier?!
America: it doesn't matter now bye- he was cut off by Russia grabbing his arm
Russia then pinned ame to the wall
Russia: you gonna tell me or am I gonna have to make you?~~
America then slipped out of his grip and started speed walking out
America: sorry bye
Russia then felt his face burning red then he realized he wanted ame to be his

Sorry this is so short I can't think of anything and this is already 294 words in all part 2 coming soon I promise!

spin the bottle

It was the next day and Japan had invited everyone to her house for a sleep over
Japan: we should play spin the bottle!
Everyone liked that idea they all sat in a circle on the floor
America sat next to Mexico this annoyed Russia as he didn't want ame around him at all he sadly missed the annoying goof ball
Germany spun the bottle first it landed on pole land
Germany gave pole land quick kiss on the lips this made pole land blush
The Canada took his turn he landed on Ukraine
Then it was Russia's turn not really wanting to kiss anyone then he remembered that America was still hear he tried to spin the bottle so it would land on ame
His plan worked but america didn't really want Russia to kiss him as he was still scared of Russia
Russia walked over to america and picked him up by his waist this made america even more nervous
Then Russia gave america a deep kiss Russia then realized he wanted more he pressed harder on America's lips America then broke the kiss and sat back down
Russia didn't really like that but he sat back down to they began to do other stuff it started to get late so Japan gave them all a room to sleep in but she didn't have enough rooms so Russia and ame had to sleep together Russia was fine with this ame wasn't but he didn't say anything they went into then room
Ah crap their is only one bed America thought to himself America was tired to he went to lay down but all the sudden
Russia got on top of america when he was on the bed
Ame: w-what are you doing!?
Russia: shh~
Russia started to kiss ame on the lips again then he broke it
Ame: wtf Russia!
Russia: what
Ame: you kissed me get off of me!

Russia: can I have another kiss first?~
Ame turned his head the other way blushing hard
Russia then gave him a soft kiss on the check then got off of him playing down next to him
